Orders have been issued in G.O. No 4087-98 C.R.B 18-31-3 dated 3rd January 1933 directing that the Tutorial appointments in the Village Panchayet schools in Mysore be exempted from the operation of the Recruitment Board Rules.

The present proposal of the D.S.S' amounts to the granting of exemption to all the Tutorial appointments on ks/st- in the Primary Schools in the Kolar District. It has been clearly laid down in the Elementary Education Regulation that "the rules of recruitment prescribed by Govt shall be conformed to in making appointments in schools and offices managed by the Local Education Authority"

If this rule has to be relaxed, it has to be done in the cases of all the School Boards in the State. As the proposal involves a change of policy, it may perhaps be placed before the Board at its next meeting in the first instance.

Submitted for orders.

There exists no necessity to alter the rules. The reason given for the proposal is that it is difficult to get "Class of experienced, qualified and long standing acting men to manage schools". But if these men are appointed for purpose to select qualified candidates and adequate salaries be given, Govt have always been accepted the appointments. Except where already a S.O. giving appointing Officer a certain
